

COVID-19 Substance Use Disorder Resources

This resource guide was created by the Division of Behavioral Health at the Idaho Department of Health and Welfare. The mission of the Division of Behavioral Health is to provide services of the highest quality by working together to inspire hope, recovery, and resilience in the lives of Idahoans living with behavioral health disorders and their families. The division is the second largest healthcare payer in Idaho and provides healthcare and services to promote an outcome-based, efficient health and human services delivery system.
