

## Weekly Summary of COVID-19 in Schools

Report posted Friday, October 2, 2020

The table below provides a list of Idaho K-12 schools with COVID-19 cases known to the Idaho Department of Health and Welfare. Case counts associated with schools are gathered from local public health, media, and school reporting, and are limited to available information.

### Notes:

- To prevent patient identification, data are excluded for schools with less than 50 students enrolled\*
- Data are excluded for online and virtual schools\*\*
- Data sourced from reports that do not include an actual case count, but reference multiple cases, are denoted with a (+) symbol. A school with 2+ cases has *at least 2* known cases.
