Chairman Adams,

As COVID-19 cases continue to rise across the state, the Idaho Military Division, via the Idaho Office of Emergency Management (IOEM) requests funds from the CFAC. Funds would be used to activate the Idaho National Guard for additional support in the fight against COVID-19.

IOEM requests \$2,000,000.00 from CFAC for the State Disaster Emergency Account. Funds will be used to bring 100 Idaho Guardsman onto State Active Duty for a period of 30 days.

Thank you for your consideration.

Respectfully,
