

The background of the slide features a photograph of the Idaho State Capitol building, which is a large, classical-style structure with a prominent dome. The image is tinted with a blue color. A thick, dark blue diagonal line runs from the bottom left towards the top right, separating the image from the text on the right.

Decisions that have been made

- Idaho accepts early distribution of vaccine at our existing ultra cold storage facilities
- CVAC sub-prioritized Phase 1a of those to receive the vaccine
- CVAC Voting Member Rankings of Sub-prioritization of Essential Workers Group (revealed in today's meeting)

Issues that still need to be addressed

- Review of the ACIP recommendations for priority group Phase 1a and LTC residents
- When to Activate the CDC Pharmacy LTCF Partnerships (action item in today's meeting)

- Meetings will be open to the public, in a “listen-only” mode. **Public comments** will only be accepted in writing, to a designated email box and comments will be distributed to the members of the committee prior to each meeting, if comments are received at least 24 hours before the start time of the meeting.

To submit comment to the COVID-19 Vaccine Advisory Committee email:

covid19vaccinepubliccomment@dhw.idaho.gov

Please let us know in the chat if you are attending as designee for an Advisory Committee Member (if not communicated in advance).

Idaho CVAC Decision:

- This is the recommendation of CVAC for the second tier of vaccine distribution.

Proposed approach:

- This tier will be receiving vaccine after all levels in the health care and long term care facility residents and staff tier has been offered vaccine.
