

Idaho COVID-19 Vaccine Advisory Committee (CVAC) Vaccine Prioritization

Updated: January 27, 2021

Idaho Governor Brad Little convened the Idaho COVID-19 Vaccine Advisory Committee (CVAC) to advise him on and assist state and local entities with the prioritization of vaccines when they are in limited supply, guide planning efforts and broadly communicate messaging to ensure equitable access to COVID-19 vaccines across the state.

The following vaccine prioritization ranking is based on federal recommendations, CVAC input, and Governor approval. It is subject to change as new information is available.

Healthcare Personnel & Long-Term Care Facility Residents

The healthcare personnel category was first presented to CVAC 10/23/2020 based on the phased recommendations of the federal Advisory Committee on Immunization Practices (ACIP). CVAC has recommended to the Governor priority groups for administration of limited vaccine and the following is the current prioritization as approved on 1/26/21.

Category	Idaho Group/ Subgroup
Healthcare personnel (HCP) (Includes clergy who enter healthcare facilities to provide religious support to patients)	1
Hospital staff essential for care of COVID-19 patients and maintaining hospital capacity (includes support staff, clinical staff, and medical imaging professionals)	1.1
Outpatient clinic staff essential for care of COVID-19 patients and maintaining hospital capacity (includes vaccine administrators and behavioral health workers, including counselors for substance abuse treatment centers and suicide prevention hotline workers)	1.1
Long-term care facility staff (includes staff of adult day care facilities and intermediate care facilities for individuals with intellectual disabilities)	1.2
Home care providers for adults ≥ 65 years of age, or for other adults/children with high-risk medical conditions (includes staff of certified family homes)	1.2
Emergency Medical Services (EMS)	1.3

Healthcare Personnel & Long-Term Care Facility Residents

The healthcare personnel category was first presented to CVAC 10/23/2020 based on the phased recommendations of the federal Advisory Committee on Immunization Practices (ACIP). CVAC has recommended to the Governor priority groups for administration of limited vaccine and the following is the current prioritization as approved on 1/26/21.

Category	Idaho Group/ Subgroup
Healthcare personnel (HCP) (Includes clergy who enter healthcare facilities to provide religious support to patients)	1
